

Policy regarding Photographs of Children at football games.

Club responsibilities.

- All photographs taken at football matches must be of “action play” ONLY
- Photographs should not be taken of any child (under 16yrs) at any time unless you have gained special permission from the parent or guardian who must be in attendance.
- If permission has been given never use names or addresses of the individual photographed.
- At some events, photographers may be required to gain permission from the clubs involved and also the NBFL Committee.
- Clubs must take full responsibility themselves if they submit photographs to their own website. (They are advise to gain the relevant permission)
- Clubs must gain permission from the NBFL if they wish to submit a photograph containing children/child of under the age of 16yrs old to any website associated to the NBFL. This must be submitted through the Media relations officer with written permission previously gained.
- Photographs will only be submitted once all relevant information has been received.

NBFL Committee Responsibilities.

- The NBFL must act accordingly if they receive a complaint regarding the misuse of Photographs on any website associated with the North Berks Football League.
- The NBFL will call upon a club to explain their reasons if they submit a Photograph containing u16's without gaining the required permission from the Media relations officer.
- The NBFL will act accordingly to ensure all clubs act within the rules of the FA.
